

6.5" 2-Way Component System

General

|                    |                                        |
|--------------------|----------------------------------------|
| Frequency Response | 42 Hz to 26 kHz                        |
| Sensitivity        | 91 dB                                  |
| Impedance          | 4Ω                                     |
| Size               | 16 cm (6.3"") (Woofer) 30 mm (Tweeter) |
| Tweeter size       | 30 mm                                  |
